Dover District Draft Local Plan

This is your chance to have a say on the future of Dover District. This Draft Local Plan covers key issues such as climate change, new homes, employment and the local economy, retail and town centres, transport and infrastructure, design, natural and historic environment. The consultation period on the Draft Local Plan started on 20th January 2021 and closes on 17th March 2021. To find out more about the consultation and comment go to www.doverdistrictlocalplan.co.uk.

The Parish Clerk has two hard copies of the Draft Local Plan for those residents who are unable to access the internet. Please contact the Parish Clerk on 077383 792 79 if you would like to borrow, short term, a copy of the plan.

HGV Parking – Pike Road

Kent County Council have been offered temporary powers to clamp HGV's which are parked inappropriately on Kent's Roads. Given our pursuit of double yellow lines along Pike Road it is pleasing to see Kent County Council are now clamping HGV's parked in Pike Road.

Message of thanks

The Parish Council would like to thank Mrs Hand for her kind donation to purchase the materials to repair the wooden surround in the play park and Cllr Page and his father for carrying out these repairs. Thank you also to Cllr Chisnell for reducing the tree height around the basketball hoop in the play park, making it more accessible.
