Matthew Scott, Kent PCC, would like your help with his Police and Crime Plan Survey
In the past we have had the help from Parish Clerks to raise awareness about the road safety survey. This survey is different but does have a little bit of road safety in it, however Matthew Scott's Police and Crime Plan Survey asks you other important questions. **It is an opportunity to have your say on various topics, such as your feelings of safety, your experiences of being a victim and road safety, amongst others. These responses will shape the next Police and Crime Plan, so you'll be helping make a big difference**: **https://www.smartsurvey.co.uk/s/PCC2021/**
