September 2024

I want to introduce myself as the new beat officer for the Eastry Ward. I may have met some of you over the last year whilst I have been working alongside PC Bowler. The Community Safety Unit at Dover have now recruited further beat officers which means that there has been a reshuffling of ward allocation. I will now be the Beat Officer for Eastry Ward as well as Sandwich.

I look forward to meeting you whilst I am on patrol in Eastry and getting to know the community more. If there are any community events, or meetings you would like me to attend, please email me at the address in the blue box below and I will endeavour to attend when I am on duty.

Crime Prevention Advice

Rouge Traders – Doorstep fraudsters generally seek to carry out services that are either completely unnecessary or substandard. If cash is paid in advance, they will often leave without starting any work. Services offered will include cleaning driveways, gardening or roof and guttering repairs. Don't allow anyone to pressure you into agreeing to have work carried out. If you ask them to leave and they don't, contact the police on 999. Don't ever go to a bank or cash point with a trader; legitimate traders would never do this. Ask for quotes in writing and check that the tradesperson is from the company they say they are from. Consider using reputable traders who are members of the KCC Trading Standards approved trader scheme , you can check this at www.tschecked.kent.gov.uk.
